Not only does your life
change.

*Decisions that are made by your
family.*

Sunday, May 14, 2006 – Mothers Day

The new journey begins

What is "SAFETY" to you?

In the fire service we have an initiative that says "Everyone Goes Home" and we still have an average of 100 firefighters that die a year.

Safety is not a tangible thing...It is a way of life because your actions will not only effect yourself but everyone around you.
